Summer Fun

Pre School Overview
Pre K – K

The first week each child will finish making (I am going to start them) a “Back-Pack” (paper sack with ribbon straps) for all their art and a story book.

Both the backpack and storybook will be stored (somewhere – TBD, probably the nursery) so each week they retrieve their backpack for the next weeks art.

Each week the children will add to the story book and store in their backpack.

Any additional craft will go home with the children

At the beginning of each lesson as a **quick** reminder the teacher will go over previous lessons from one of the students storybook on a rotating basis.

The lessons are broken down into 4 aspects, this is repeated every week:

- Assemble
- Bible story*
- Craft
- Depart

* Teachers should reference the bible, but use story from the lesson, since the wording has been toned down for this age group.

When the Fall Session is over the children will bring home their backpack with all their crafts.
