July/August 2008

Dear Brothers and Sisters in Christ,

This spring has been strange. The weather has changed from cold, chilling rain to record heat within the span of a week. Such natural rhythms make us think about the rhythms of our daily world: earthquakes killing thousands, governments refusing aid for typhoon victims, rising oil prices creating food shortages, rising prices of everything, and just the beginning of suffering for many. Mixed in with this daily news are the occasional stories of good things being done and possible new solutions. All in all, like this spring, the rhythms of this world feel unpredictable right now, without the reassuring “warmth” that comes when we feel we know what will happen tomorrow.

With all these changes, I have been thinking about history, about what previous generations did when they were faced with the unknown, an unstable economy, and the daily news filled with hardship and devastation. Not long ago, I saw a poster advertising an upcoming “World War II Weekend” to celebrate aviation victories and other events of the war. Such events seem to happen a lot since the “Greatest Generation” was recognized. The further in time we come from that war, the more we seem to remember it fondly.

Yet, I doubt that the men, women, mothers, fathers, and children felt that the war was glorious, wonderful, and a time of celebration. From the many television specials, interviews, and books, we know that they experienced that time as one they wished had never happened to them. And, I believe, so it is with all who come face to face with challenges and sufferings in their own lifetimes. To borrow a line from J.R.R. Tolkien, in his book *The Fellowship of the Ring*: “...so do all who live to see such times. But that is not for them to decide. All we have to decide is what to do with the time that is given to us.”

Tolkien was a very good friend of C.S. Lewis, author of many books on Christian faith and the Narnia Chronicles. Both men were of deep faith, and both lived through World War I and World War II. When Tolkien was a young man in 1918, which was the end of World War I, only one of his close friends remained alive. And yet, both he and Lewis went on to write about and live lives of great faith. The times that had been “given to them” encompassed two terrible wars and immense suffering, and they not only survived, but they also created a way to understand it for future generations. For them, their choices about what to do with the time given to them were rooted in their faith in Christ and in the goodness of God. Perhaps they did not suffer as much as some, but they did not pass blithely through, untouched by suffering. They did not always see the way clearly or feel calm and confident. They held fast in their belief in goodness, love, and a loving God made known through Jesus.

It sounds so simple on paper, just like World War II sounds so glorious to a generation apart. But it is never simple or easy when we are living it. So, here we are in the unknown present. Challenges are definitely ahead, and the horizon has shadows upon it. What will we do with the time given to us? How will we hold to faith and goodness, not only for our sakes and our children’s sakes, but also for the generations to come?

Peace be in you,
Pastor Kingsley

JULY—THE HEAT IS ON!

The summer is fully upon us. At every turn, the bounty of God's creation (the birds; greenery and flowers; brilliant, blue skies; and big, fluffy clouds) calls to us and induces a feeling of gratitude for being alive. Stay present in the moment, drink it all in, and feel it as you go outdoors. July is definitely an "All Things Bright and Beautiful" month!

The summer choir sings each Sunday and is open to everyone who would like to sing along with us. Singers come and go as they enjoy the summer. Our schedule of services will change in August, but other committees will write more about that.

Please join us on Sundays. Grab a stick fan or Spanish accordion fan from the back table and keep cool; the big industrial fan will be on as well. We can worship when we're hot and worship when we're cold. See you there.

Robert Clooney
Director of Ministry of Music

Adult Christian Education Coming in September!

Beginning in September, First Presbyterian Church will be offering adult Christian education classes on Sunday mornings from 9:30 a.m. to 10:15 a.m. If you have wanted to take a Bible study class but can't seem to fit it in during the week, this might be an alternative for you!

Our plan is to offer two different classes on Sundays. One class, over the span of four to six weeks, will have short Bible studies. The other class will cover current-events topics that are relevant to us as Christians. We will be open to any suggestions (e.g., ideas for guest speakers) from the congregation.

We are currently looking for a volunteer (or volunteers) who is (are) interested in organizing this portion of our Christian education program. Teaching is not a requirement, unless you want to! The person or people in this position will research ideas for the current events and recruit volunteers to lead the Bible studies. The position will also include keeping the congregation updated as to what is coming up next and confirming dates with guest speakers or those who intend to lead the classes.

If you are interested in getting involved in this exciting new venture, please call Michele White at 988-0250 or email micwhite@warwick.net.

“A CHURCH STILL BUILDING”

SUPPORT YOUR CHURCH HOME **2008 CAPITAL CAMPAIGN**

The 2008 Operating Budget consists of operating revenues and expenses only, not capital expenses needed to maintain and improve our church home and grounds. The Operating Budget consists of income and expenses anticipated for the day-to-day operation of the church facilities and programs.

The Finance and Administration Committee has prepared a Capital Budget for prioritized capital expenses to maintain and improve our church home and grounds. The plan is to fund the Capital Budget through an annual Capital Fund Campaign targeted specifically for need-based projects.

The Finance and Administration Committee and the Property Management Committee will work collectively to fund and complete the following 2008 prioritized projects:

2008 Capital Fund Budget

1. Continue church and Fellowship Hall masonry repairs that are needed desperately (the small towers on either side of the rear Tiffany window are pulling away from the wall)—approximate cost: \$18K
2. Church Park drainage (the Village of Goshen DPW has already asked permission from First Presbyterian Church to install a catch basin)—approximate cost: \$5K
3. Repair one church sanctuary window—approximate cost: \$2K

The above costs are estimates, and all projects will move forward after several bids are received and evaluated.

Our church home needs your financial support for the 2008 Capital Campaign—an amount you agree to pledge over and above any 2008 pledge you already made toward our 2008 Operating Budget. You can pay the Capital Campaign pledge in periodic increments or in a lump sum between now and the end of the year.

Please ponder your 2008 Capital Fund Campaign contribution prayerfully, and complete the form below:

Presbyterian Women's Association (PW) Summer News & Notes

The PW met on Monday, June 2, in Fellowship Hall for an indoor summer potluck picnic. Twenty women were in attendance, and there was an abundance of great food. Vice President Betty Lobb decorated the table with plants she donated to be given as door prizes. After a lovely dinner, we had a short and informative meeting.

Great American Weekend is again upon us. As always, we sell the bagels, hard rolls, coffee, and tea in the morning while the vendors are setting up. All help is greatly appreciated, and if you can give us an hour or so, please stop down and pitch in.

During the summer, it has been our tradition to have a luncheon instead of a regular meeting. This is often done at one of our homes or at the church. The date of this year's potluck luncheon is Saturday, July 26. Please consider joining us. The information will be in the Sunday bulletin.

We will be having the October community dinner on the 11th, so mark your calendar and be available for this great event. There are plans to have a church pork supper on October 4, and all help will be appreciated.

The plants won at the dinner went to the following women:

- Dorothy Sevcik
- Kat Colley
- Barbara Lippert
- Evelyn Kromm
- Dorothy Gott
- Myrna Tucker

Thanks again to Betty—the plants were lovely. Thanks also to President Barbara vonPentz and her helpers for setting up and cleaning up. We had a great night of food and fellowship.

Wendy Paffenroth
PW Secretary

New Fundraiser—Cookbook

A cookbook committee is in the process of being formed. Some research has been done on the putting together of a new cookbook, which will be ready to sell at the Great American Weekend in 2009. Our goal is to make this a “true” church cookbook. We hope that every family, including former members, will give at least one favorite recipe. We also would like to gather some recipes from the restaurants to which we have gone for fellowship dinners or places in town at which we like to dine.

The first meeting will take place in the fall, and everyone is welcome. In September, we will decide on the date of the meeting. If you would like to join the committee, leave your name and number with Pat in the office, or see Wendy Paffenroth at coffee hour. Please start setting aside those fabulous, tried-and-true, family-favorite recipes.

Thank you.

PRAYER SHAWL MINISTRY (PSM) 2008 SUMMER NEWS

The Prayer Shawl Ministry is still in full swing, even though the summer months have many of our members a bit busier than ever. Our "hugs" continue to be given away, and the blessings are flowing back. We have received many more beautiful and insightful thank-you notes, which are being saved in a book for all to see. Remember, we would love to teach you the art of crocheting and how to master this skill for life.

A month ago, our shawl ministry submitted information to www.shawlministry.com. This group seems to organize prayer shawl ministries; they post prayers, links, and other items of interest on their site. If you go to the site: click on "LINKS," then click on "NY State," and you will find our church listed under "Goshen, NY." Shawl groups from all over the United States are listed. We also submitted three of the prayers we give out, and if you click on "PRAYERS," you will see them followed by our church name.

Although it isn't as much fun to work with yarn when the temperatures reach above ninety degrees, our need for shawls and baptism blankets continues to grow. The extra shawls and folders for the prayers are located in the church. If you would like to give one, stop by the office and our wonderful church secretary, Pat, will direct you to them. We simply ask that you leave us some information, so we can record it into our journal for the church legacy.

Recently, several neighboring churches have asked about our PSM. We have given packets of information to Washingtonville's Presbyterian Ladies and Good Shepherd Lutheran in Warwick, who are also considering starting a ministry. It is lovely that our ministry is reaching out to neighboring houses of worship. We wish them well in organizing and starting this wonderful gift-giving.

Remember, you are always welcome. We have some very experienced teachers who have lots of patience, and we are a "fun group." Please consider stopping by sometime and sitting in to see if you might want to take on this cause. We are usually found in the parlor after coffee hour. The blessings come back tenfold. God bless each of you.

Wendy Lee Paffenroth
Journal Keeper, PSM

P.S. The Prayer Shawl Ministry wishes Mary Beth Neely and her husband, Art the happiest of Retirement Florida. Mary Beth...Your mission is to make sure there is a Shawl Ministry in your new church and if not, **Organize it...** Best of luck from all of us in the parlor. Please keep in touch with the PSM.

PER CAPITA ASSESSMENT

Every year the Presbytery of the Hudson Valley charges every member church an assessment according to the current active membership. Our recorded active membership number is currently **337** and *our assessment per member* (not per family) for **2008 is \$26.00**, which is a total of **\$8,762.00** to be taken from our operating budget. Please assist with this expense and write a check for your family assessment and either mail it to the church or place it in the Sunday offering plate. Thanks for doing your share.

EXTRA MILE GIVING TREE

Our Extra Mile Giving Tree still stands in the Narthex and continues to be a great source of giving opportunity for many of our members and friends. Check out the Giving Tree located on the table by the front entrance and make your donation toward a special project of your choice. There are envelopes beneath the tree and can be used to either mail back to the church or place in the offering plate. **Thanks for you support.**

The First Presbyterian Church in Goshen, NY, was built in the late 1800s and is a respected place of worship for many in the community. It is also recognized as an architectural icon dominating the Church Park Historic District. The church has been a home to numerous families, and we all appreciate the elegance and charm of this significant structure.

The stone used in the construction of the exterior masonry walls has withstood the tests of time and Mother Nature. However, the building envelope system, which consists of a multiple-wythe masonry wall, is being compromised by the failing mortar joints. (A singular vertical section of brick masonry, one unit in thickness, is referred to as a *wythe*.) The deteriorated joints are expected for a structure of this age, and deterioration varies with exposure conditions. The Brick Institute of America recognizes that a typical masonry structure will require maintenance of its mortar joints every twenty-five years.

Preventative maintenance of mortar joints (i.e., repointing) is required to ensure the structure's longevity and is the single most effective way to decrease water entry into the stonework. Repointing is a time-consuming task, and the process has not changed with modern construction techniques. It is basically a method performed by "hand." The mortar joints are inspected visually and "sounded" to detect cracked, spalled, and brittle joints. Once identified, the outer damaged layers of the failed joints are cut out, removed, and replaced with new mortar.

Our past visual inspections have identified a concentrated failure of the mortar joints located on the elevated portion of the wall behind the chancel. Not readily visible from the ground level, this joint failure was observed from an aerial man lift when the box gutters were replaced. This observation identified a substantial movement in the masonry walls associated with external corners located above the chancel. It is perceived that the resultant forces from the weight of the gable end wall (the vertical triangular portion of the end of the building) and the decorative external towers with their wood louvers have allowed the wall to shift outward. At this time, it appears that the shift may be stabilized; however, we are attempting to prioritize the repairs and are soliciting donations from the congregation. Please note that the deterioration includes loose or missing mortar joints with gaps between the mortar and masonry units. These are all signs that can lead to further accelerated deterioration of the mortar and stone. This will compromise the stability of the structure.

We have budgeted between \$15,000 and \$20,000 to address this issue. The use of an aerial man lift to perform the repointing will permit a more detailed review of the shift in the stonework and will facilitate the development of a course of action to stabilize the structure.

MEDITATION GARDEN—SUMMER UPDATE

By the time you read this update, the center section of the columbarium wall will have been erected, and the twenty-eight double-niches will have been installed. The nineteen-foot labyrinth will be installed in July. Eighty inscribed pavers, along with other garden elements, have been ordered for August arrival and installation.

The Garden Committee has raised over \$41,000 (all from donations outside of the operating budget) for the garden. We still need approximately \$15,000 additional to complete the majority of the project.

Double-niches are currently for sale at the “pre-construction” cost of only \$2,500 (until August). Each double-niche is 11¼ inches cubed and allows for either double or single interment. Given the cost of cemetery plots and gravestones, this is a remarkable value. After August, the niche cost will be \$3,500.

As of this writing, five niches have been purchased, leaving twenty-three left for sale. If you are considering...***NOW is the time to purchase your niche, as you will be saving \$1,000 and helping the garden to come to fruition this fall!***

Once we have sold fifteen niches on the first columbarium wall, we will have enough funds to erect the second columbarium wall (with another twenty-eight niches). After we have sold a total of twenty-five niches, the third columbarium wall can be erected. That will allow our church to then sell the remaining fifty-nine niches and realize a profit of well over \$200,000!

I would like to ask the members of the congregation to please also consider purchasing inscribed memorial pavers to honor and remember loved ones. Pavers are only \$100 each, and our garden has the ability to continuously expand the number of memorial pavers we install. Please spread the word to the community at-large, too. Remember, this is a non-denominational, memorial meditation space, and it is open to everyone!

As we move into September, the landscaping phase of the garden will begin. Please think about any way you can help with this “finishing touch” phase. The Garden Committee is eager and willing to discuss any ideas you may have. Just give me a call!

We are working toward a dedication date, which will be during the weekend of October 25 and 26. We will continue to provide regular updates on the garden’s progress.

Thanks to everyone who contributes in so many ways to this awesome endeavor!

Peace and love,

Wayne George
