Dear Brothers and Sisters in Christ,

EVER WONDER...?

## John 20:24–31

But Thomas (who was called the Twin), one of the twelve, was not with them when Jesus came. So the other disciples told him, “We have seen the Lord.” But he said to them, “Unless I see the mark of the nails in his hands, and put my finger in the mark of the nails and my hand in his side, I will not believe.”

A week later his disciples were again in the house, and Thomas was with them. Although the doors were shut, Jesus came and stood among them and said, “Peace be with you.” Then he said to Thomas, “Put your finger here and see my hands. Reach out your hand and put it in my side. Do not doubt but believe.” Thomas answered him, “My Lord and my God!” Jesus said to him, “Have you believed because you have seen me? Blessed are those who have not seen and yet have come to believe.”

Now Jesus did many other signs in the presence of his disciples, which are not written in this book. But these are written so that you may come to believe that Jesus is the Messiah, the Son of God, and that through believing you may have life in his name.

Have you even wondered why Thomas wasn't with the rest of the disciples when Jesus appeared to them? It had been such a big event. The resurrected Christ had blown right through the closed doors of the room. He showed them his wounds, breathed the peace that passes all understanding on them, and commissioned them. If I had missed that, I would have spent a fair amount of time berating myself. And I probably would have dismissed the excitement of the others, doubted it, simply to protect myself so that I wouldn't feel so bad about missing something so important.

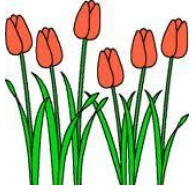

Thomas missed Easter. I assume he had been with the others on Good Friday, but when the resurrected Christ appeared in that room the first time, Thomas missed it. The fact is, we all missed that first Easter. None of us were there. And at some level, just like Thomas, we carry around this internal doubt. How does it make sense? Could it have really happened? Are these other people a bit crazy?

The part of the story that brings me to tears is that Jesus graciously came again to that same house. This time Thomas was there, and Jesus invited Thomas to touch his wounds, to see for himself.

We all missed that first Easter, but over the centuries Jesus has continued to come into our lives, one by one, with his mark on experiences we can touch and see and with the gift of a peace that passes all understanding. When this happens, we can't physically see him or touch him, but we know it—or at least we have a gut sense of it. We all missed that first Easter. But Jesus keeps showing up with the words, “Do not doubt but believe.”

Peace in Christ,  
Pastor Kingsley

## ***MAY OPENS OUR EYES ANEW TO THE WORLD AROUND US***

We have journeyed through Lent, Palm Sunday, Holy Week and the glorious Feast of the Resurrection. And now, May brings us flowers, green, and relief from the cold and chill of winter. We revel in the warmth, the breezes against the skin, and a feeling of aliveness. Breathe in the freshness of new life and let God's magnificent creation warm and speak to your soul!

On May 11 . . .

It's **Mother's Day** or, as I like to think of it, "nurturing Sunday" to celebrate all those who care for and nurture others albeit family members, our friends, or pets. It is more about the quality of being a nurturer to others in our lives.

On May 18 . . .

We all participate in **Celebration of the Ministry of Music** as we join together using our voices and gifts to the glory of God.

On May 25 . . .

It's **Presbyterian Heritage** Sunday in which we reflect upon and remember all those who came before us, who sat in our pews during wars, who prayed for peace, who came for healing in their lives as they lifted their voices in song. We honor them and pass along this heritage to future generations as we support the youth in our Christian Education Program—the next generation.

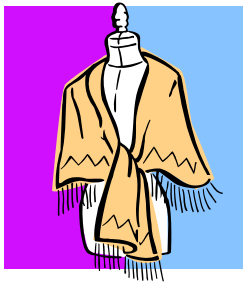

*Let's get outside, enjoy the weather and being outdoors, plant and watch our gardens grow.  
The earth has sprung to life; embrace it in joy and celebrate!*

Robert Clooney  
Director of Ministry of Music

### **PLEASE PAY YOUR PER CAPITA ASSESSMENT FOR 2014**

Every year, the Presbytery of the Hudson River charges every member church an assessment according to the current active membership. Our recorded active membership is currently **343** and **our assessment per member** (not per family) **for 2014 is \$30.50**, which is a total of **\$10,461.50** to be taken from our operating budget. Please assist with this expense and write a check for your family assessment, if you haven't already done so, and either mail it to the church or place it in the Sunday offering plate. Thanks for doing your share.

## News of the Prayer Shawl Ministry . . .

April was a busy month again for the “shawl ladies” of the church. First, our wish for yarn was answered by many. Dorothy Sevcik sent over, (by way of Fran Hoffmann), two big bags of yarn that will be put to good use as more gifts are made and sent out from the church. Thanks to all who left yarn in the bin in the Narthex.

While we try to honor all requests, sometimes they don't get mailed out when they asked for. We do not have funds for shipping and many of our ladies take it upon themselves to ship shawls out on their own 'dime.' Please understand that we are a small group and try to do the very best we can. Often another church will ask for a shawl and we gladly give it with our prayers, etc. But it is their responsibility to get it to the person in need. We do try very hard, but bear with us if things don't always happen immediately.

Shawls did go out to several in our community. Maureen and Bob Johnson took one to a neighbor who is in a wheelchair. The color was perfect and the family was so touched by the generosity of the gift. We hope the hug warms him and he gets well.

Mary Lee Berry was hugged by all of us as a shawl was delivered to her. We are all praying for her and thinking of her each and every day. God bless you, Mary Lee and enjoy your hug from the entire congregation.

Bill Howell was presented with a beautiful lap robe specially made for him by Joan Howell. This was truly a gift of love and we hope he enjoys it. We hope you are up and walking into church soon, Bill.

I met with a lady (finally), who has been fighting cancer for several years. Her sister lives in Goshen and Susie lives in Warwick. She has gone through several years of chemo and has enjoyed her shawl from us. Since she and her sister are so close and are fighting this together, I made and sent them each identical pocket shawls in the shape of a heart, so they can hold it when they are apart. I got a hug back from Susie when I finally met her after so many years and she told me how she was so blessed by the gifts from our congregation. We will continue to pray for her and others as they continue to fight for good health.

A lovely note was received from a member of our congregation, Jean Crandall.

*“Dear Prayer Shawl Ministry Members: Thank you so very much for your wonderful gift of a beautiful prayer shawl and lovely articles and poems that came with it. After experiencing such a warm glow inside on receiving this gift, such a feeling of being cared for and thought of that I so needed at that moment, such joy in my heart that is still there, I can assuredly tell you that your ministry is truly special. Thank you so very, very much. Fondly, Jean Crandall”*

Bill Strong was sent a lap robe to Valley View Nursing Facility. We thank Fran Hoffmann for again being our delivery person. We also sent along a folder of our poems and prayers so that Bill knows he is thought of often by our congregation. God bless Bill.

A friend from a church in Rockland County told me of her best friend, Nora, in West Palm Beach, Florida who is fighting cancer. She needed some hope and love. Joan Butensky had just finished a lovely stole wrap shawl in various shades of blue – the healing color. I wrapped it into one of the pretty donated bags with a folder of poems and prayers and gave it to Esther, who will mail it to her friend. She said she is first going to show the ladies of her church the beautiful gift and is hoping some of them might want to start a ministry there. Thank you, Esther M.

Orra Wood told us of an accident her daughter, Sandra had and that she hurt her knee. Barbara Hankins had made a beautiful triangle light blue shawl recently which has been sent to Sandy with our hopes and prayers that she is much better soon. That blue healing color sure gets around these days. Let's hope it does the job we want it to. Feel better, Sandy.

We thank the congregation again for the donation of yarns, bags, folders, tissue papers, etc. that help to send the gifts from our doors in a beautiful fashion. It says a lot when the gift arrives and looks like a present from all of us. We appreciate the continued support of this ministry. God bless each of you and consider yourselves hugged.

## PRESBYTERIAN WOMEN'S ASSOCIATION

The April 7 meeting was on a windy, rainy night, but we still had a great turn out. Most of our upcoming events will begin in May, so this was more of a fellowship gathering and informational meeting.

Updated meeting and event date sheets were passed around and a reminder about our **WOMEN'S SPECTACULAR COFFEE HOUR** scheduled for May 18 after the church service. There will be several surprises, so this is a date to put on your calendar and not to miss. Women who are unable to attend the monthly meeting are asked to join in and bring a dish to share. We need everyone's help to pull this off and we are counting on the wonderful women of our church to do it. Watch your bulletins for more information.

Our wish for some dishes came through last month. Some very nice plates, baskets and bake ware will be available at the May 18 coffee hour for women to take to put their donations on for the Friday, May 23 bake sale. If someone would like to set up the table and hand out the dishes on May 18, please see Betty Lobb at church. We will still accept more if you are spring cleaning and find you have some odd dishes you want to get rid of. Speaking of the bake sale, this is always a good one and we hope this year the weather cooperates with us. Dorothy Sevcik is donating some lovely pot holders that she has made and we will sell that day, as well. Please volunteer to help sell our treats. Bring a chair, soak in some sun, and meet the people of Goshen.

Our treasurer, Sharlene Bischof filled us in on our financial status. Donations were made at Christmastime to St. Margaret's Soup Kitchen and the People to People Fund. The women discussed several ideas on a project we might fund in the future to help the church. More will be discussed at future meetings.

The honoree luncheon will be either the end of June or in July and all women who are former honorees are asked to consider someone for 2014. This will be discussed more in May. This is now done in conjunction with our summer get together. All ladies are invited to this wonderful afternoon of fellowship.

Come to church on May 4 and, as you enter, each lady will be given a little gift from PW. The next meeting is on Monday, May 5, at 7:30 in the church parlor. It is one not to miss. Come out and find out what we have planned. Bring a friend as well. God bless each of you.

Wendy Lee Paffenroth, PW Secretary

### **THANK YOU from the Board of Deacons for supporting our Spaghetti dinner in March.**

We had a sell out crowd and it was good to see that the church congregation was well represented. If you enjoyed the ice cream, you can get it at Stewart's Shops; they graciously donated this tasty treat. ShopRite donated a gift certificate in which we could purchase the pasta, dressing, etc. to help off set our cost. The Presby youth and the Interact Club did a terrific job as runners, servers, and dishwashers.

**ANNUAL SPRING RUMMAGE SALE**  
**Friday and Saturday, June 6 and 7**  
*(Mark your calendars now!)*

The chairperson for the Rummage Sale is again Glynnis Jorgensen. Glynnis would be grateful to anyone who can help with this annual event, as many hands are needed to set up during the week of the sale and also to clean up on Saturday, June 7, in the afternoon.

Remember, items can be brought in from the evening of Monday, June 2 through Thursday, June 5.

**We need saleable items, no junk. We have to dispose of all unsold items.** Items brought in should be **CLEAN**, not broken. We cannot sell chipped glassware, toys with missing parts, books without covers, items with missing pieces, or items with frayed electrical cords. We also cannot sell used computers or exercise equipment.

The better the items look, the more money we can get for them, so run those excess dishes through a wash cycle before you donate them, and try to pack items that are similar in the same boxes. This makes it so much easier for those setting up. In the past, we noticed that the jewelry table does well, so clear out that costume jewelry from your jewelry boxes. New and usable items are always welcome as well. We accept toys with all the parts and furniture that is still in good condition.

Please offer a few hours of your time to this good fundraiser for your church. All church members should be able to donate an hour or two to help. Remember that **All HELP** is greatly appreciated, and you can bring a friend or coworker, too. Come out and share this fellowship with other church members.

Thank you again.

## **A SPECIAL THANK YOU**

When a pregnant woman goes to her 20 week ultrasound, the anticipation of possibly finding out the gender is usually all she can think about. She doesn't expect to have to come back for a closer look, for more detailed pictures, for anything at all.

She does not plan to look at the screen in front of her, only to count three chambers of her baby's heart instead of four, no matter how many times she counts and how closely she studies the image.

No one plans on entering a doctor's office where happy news is of the ordinary, only to leave with a stack of information detailing congenital heart defects, the many options available, and the tests that are to be done.

When we first found out about Dakota's heart, time stood still. We couldn't understand why this was happening to our child or how we would know the right decisions to make. The plan we had made for our young, growing family was threatening to fall down around us.

As difficult as this journey has been for Jay and I, we believe that everything happens for a reason. Dakota's diagnosis is a blessing in disguise. It teaches us to slow down, to appreciate every moment, to focus on what really matters and to discard what doesn't. We hold on to every second we have with our daughter; whether she's here for a short time or hopefully outlives the two of us.

We want to thank the church for the continuous support we have received, even before Dakota was born. It hasn't been easy to accept the help we have been offered, as we always feel the need to give back; this becomes difficult when there isn't much to send back. What we do have is our gratitude, and our gratitude for your prayers and positive energy is endless.

Dakota will have a second surgery sometime by the end of this summer, and I know that your thoughts will summon positive healing for her and will keep our family holding onto all of the tomorrows we have to look forward to with optimism and hope. Her angels will be surrounding her always, and the actions of this community and church will never be forgotten.

Jess Ptak
